GoToMeeting for Windows Tablets

When an idea strikes and demands collaboration, simply join a meeting and work with all the right people instantly using GoToMeeting.

The GoToMeeting app makes online meetings more accessible than ever. View slide presentations, design mockups, spreadsheets, reports – whatever meeting presenters choose to share onscreen.

With a free GoToMeeting app, you can:

- Attend GoToMeeting sessions from anywhere.
- Join meetings in seconds by tapping a link in an email.
- View presentations, mockups and reports – whatever the presenter shares on-screen.
- Connect to audio through your Internet connection.
- Pinch to zoom meeting content.
- Switch to landscape or portrait mode to customize your meeting view.

Say hello to mobile collaboration

Your Windows tablet is the perfect venue for attending GoToMeeting sessions when you're away from your desktop. Its lightweight, user-friendly design makes it extremely portable and comfortable to use, so you can easily collaborate on the go. View and discuss slide presentations, project designs and important documents from the convenience of your mobile device.

Key benefits

- Increases mobility and convenience

FAQs

1. **How much does the app cost?**
   Nothing. The GoToMeeting app is offered free of charge.
2. **Can I host a meeting from a Windows tablet?**
   The app is currently just for attending online meetings. However, using the desktop function on a Windows tablet, you can host a meeting with our desktop GoToMeeting product.

3. **How do I get meeting audio on my Windows tablet?**
   Voice over Internet Protocol (VoIP) lets you join the call through your device's mic and speakers or by plugging in a headset. For best audio quality, use a WiFi connection.

4. **Can I chat, draw, present and share keyboard and mouse control?**
   Currently, the GoToMeeting app can only view meeting content and interact on the audio line.

5. **How do I set up my own meetings with GoToMeeting?**
   Sign up at www.gotomeeting.com to try it free for 30 days on your Mac or PC.
